

S-PARKS NEWS BULLETIN #133

27 MAY 2022

It is with great sadness that we inform you of the passing of Joanne Clarke (Cottage 113) on 20th May and Sally Hopper (C1) on 24 May 2022. Our sincere condolences to their families and friends.

- ★ **Electricity Charges on May and June statements:** due to heavy rain forecast for 20th May, it was decided to read the electricity meters earlier. Meters were read on 18th May which will result in the consumption period being 2 days less than normal i.e. period being from 20 April to 18 May. This will also have an impact on the June reading as it will be for 2 days more i.e. period being from 18 May to 20 June. Please bear this in mind when checking your electricity account for the next 2 months.
- ★ **Water restrictions:** a reminder that water restrictions still apply in this area. See 'Grey Matters' in the Silver Threads next week for more information in this regard. Please use water sparingly!
