

*Our sincere condolences to Anne Roos, family and friends on the passing of Johan Roos on 21<sup>st</sup> March in hospital in Port Elizabeth.*

★ **REMINDER: Covid-19 Lockdown Level 1:**

- The wearing of masks in public places is still mandatory, and failure to wear a mask when required remains a criminal offence.
- ***Whilst it may seem that the latest risk level 1 allows much in terms of gathering, the onus is now on us to protect ourselves and not the government's anymore. Gatherings of so called 'super spreaders' in an enclosed space pose a distinct threat of infection and we should constantly evaluate its necessity. People are still succumbing to the virus daily.***

★ **Communications sent to the General Manager:** Derek is experiencing large volumes of emails and is requesting that if an urgent matter is sent to him via email and it is not addressed or replied to within 3 days, please give him a call.

★ **Water situation:** A media statement has been released by Ndlambe Municipality regarding the water situation in the wider Ndlambe area. A copy of which has been placed on all the notice boards. **Strict water restrictions are in place throughout Ndlambe and communities are requested to reduce their water consumption by at least 50% in order to conserve the little that we have.**

★ **Account payments:** 31<sup>st</sup> March is the end of the Financial Year – please ensure that all outstanding balances are settled **no later than the 7<sup>th</sup> April 2021** as per normal ruling. PLEASE REMEMBER TO USE A REFERENCE WHEN DOING A BANK TRANSFER (EFT)

★ **Hall activities:** with increased requests for activities in the Don Powis Hall it is essential that all requests and arrangements are channeled through the Admin Office. Whether this is a once-off function / event or resuming of monthly events, the Admin Office must be notified to ensure that there are no double bookings. ***A reminder that all events are to adhere to Covid Regulations regarding sanitising, wearing of masks, practicing social distancing and strict attendance registers.*** Organisers can arrange a thermometer and sanitisers from the Admin office before an event.

★ **Fraudsters calling:** a reminder to please be aware of fraudsters phoning and asking for your banking PIN number and digits on the back of your card. This is NEVER requested telephonically by your bank. Fraudsters inform you that they are calling from the Fraud Department and that a fraudulent transaction is in progress and in order for them to stop the transaction they require your PIN or digits on the back of your card. **DO NOT** reveal or confirm any of your details, not even whether it is the correct bank or not. Although fraudsters are able to verify your particulars, this does not mean it is a legitimate call from your bank. Call your bank immediately and report the incident.

Also be aware of those around you who may be able to see you entering your PIN number. Never allow your card out of your site i.e. do not allow a shop attendant or waiter to walk away with your card.

★ **Pool:** the maintenance repairs are now complete and the intention is for the pool to open from 1 April. However, strict Covid regulations are required and a usage schedule will be necessary to ensure there is not an overcrowded pool. Detail of the process and conditions will be communicated to Residents early next week.

★ **Bathurst Agricultural Show (29 & 30<sup>th</sup> May 2021):** Entry forms are available from Meryl Howes at Cottage 64 (Ext 273) or they can be downloaded from [www.bathurstshow.co.za](http://www.bathurstshow.co.za)

Have a great weekend – take care - be safe !

THERE ARE NO NEW COVID CASES REPORTED IN THE PARK
