

- ★ **We say farewell to Mercedes Biller who joined Settlers Park staff in 2017 and has been a familiar face in the Hibiscus Room, Trading Post, Facilities Dept and the Admin Office. We wish her well as she joins a family venture in Port Alfred.**
- ★ **Cottage gardens:** Residents are requested to respect the privacy of other Residents and not walk through their 'private' garden which would be the immediate space outside and around their cottage.
- ★ **Old Telephone lists:** with reference to the POPI Act please **do not** discard your old telephone list by throwing it in the refuse bin. You may drop off your old copy at the Admin office for it to be shredded.
- ★ **Trading Post Clearance Sale:** all jewellery items, trinkets etc are on sale at the Hibiscus Room. Please pop in and find some very reasonably priced Christmas gifts.
- ★ **Power outage – Thursday, 18<sup>th</sup> November:** please note that the entire EAST BANK will be without electricity next Thursday from 07h30 to 18h00. The following is recommended or suggested:
  - **Ensure your cell phone is charged before 07h30 on Thursday**
  - **Decant water into a container for drinking and hand washing / toilet use as your water pump will not be able to function without electricity**
  - **Fill a flask with boiling water before 07h30 for you to make a hot drink during the day**
  - **Order your meals from the Hibiscus Room**
  - **Avoid opening your fridge / freezer in order to retain the coldness**
  - **If you have difficulty opening your garage door please contact your Warden for assistance.**

electrical pty ltd  
Operations & Maintenance Port Alfred

This serves as notification of an intended interruption of supply of Electricity from **7.30am to 18.00** on **Thursday 18th November**.

The purpose of the outage is to replace essential 11Kv Switchgear at Alfred Road which is faulty and unserviceable.

**AREAS AFFECTED**

**PORT ALFRED — ENTIRE EAST BANK**

As power may be restored at any time between these hours, consumers are warned to treat all apparatus as being live throughout the whole period.

It is strongly recommended that all **non-essential appliances be switched off or disconnected** from the supply during this period in order to prevent damages thereto when the supply is restored.
