- ★ **Admin Office** – a reminder that the Admin Office is still not open to visitors until further notice. However, you may contact the office by phone. The office will be open from 08h00 to 13h00 this week. Back to normal hours from Monday, 3rd January 2022.
- ★ **Plants** – plants are still being removed from Residents gardens without permission. Plants which have just been planted are being removed. This is stealing and unacceptable in an environment where we are to trust those around us! Please **DO NOT** remove any plants from the communal garden beds or anyone else's garden.

Visitors who are staying over with Residents are allowed to use the swimming pool on condition that they are accompanied by the Resident and a booking has been made.
- ★ **Bank scammers** – are still actively phoning in the hope that Residents will reveal their banking details and pin code. Please be aware of scammers claiming they are bank officials and to prevent a fraudulent transaction taking place on your bank account, your pin code is required. The bank will never call and ask you to give your pin over the phone.
- ★ **Hibiscus Room:** A reminder that the Hibiscus Room is open as normal on the 1st January 2022.
- ★ **Facebook posts:** you are encouraged to please 'like' and 'share' the Settlers Park posts or leave a positive comment.
